IL&FS | Education

Started in 1997 as Schoolnet, IL&FS Education and Technology Services Limited (IL&FS Education) is the social infrastructure arm of IL&FS group. IL&FS Group is India's largest infrastructure leasing and financing services company whose investors include LIC of India (largest public insurance provider), Abu Dhabi Investment Authority and Orix Japan.

Our core strength is in delivering large scale projects in PPP mode. We are focused on nurturing the human capital by building India's Education, Employability & Employment.

We work in the key areas of Education, Skill Development, Healthcare and Cluster Development for long term and sustainable impact. Our 3E model has been recognized by McKinsey and Company as one of the top two global initiatives aimed at faster and inclusive growth. Globally, we deliver programmes in 17 countries of Africa, Middle East and South East Asia.

Currently, we work with more than 10 Central and 28 State Government departments, several Public Sector Enterprises (PSEs), Multi – lateral agencies and 1500+ private companies as a partner to their social development goals.

Together with our subsidiary companies, IL&FS Skills (www.ilfsskills.com) and IL&FS Clusters (www.ilfclusters.com) we have impacted over 15 million people in India.

Impacting 15 million people through our work in Education, Skills, Clusters and Health
